

Friday 17<sup>th</sup> May 2024

Dear Parents and Guardians,

We are immensely proud of our **Year 6** pupils. Not only have they shown sincere commitment, positivity and resolve during their SATs tests this week; they are also a fantastic bunch of **curious, creative and courageous** learners in all that they do. Very well done, all, on a challenging week brilliantly done. Ice lollies: earned. 😊

Many congratulations to our children in **Nursery** who have successfully hatched out, at the time of writing, **three healthy chicks**. As you will imagine, there has been rather a lot of excitement today with many more visitors in Nursery than usual. We will keep you posted on the chick's progress as they grow and hope that, in the not too distant future, they will be joining experienced layer, Sandra, in our newly refurbished chicken coop. **We are always looking for families to help feed the chickens** at the weekend and during holidays. If you are keen to help, please do pop me a message at my email address below. Thank you.

Our **Team for Change** (AKA School Council) have been busy today as a part of their school-wide **consultation** project. As elected representatives of our student community, the team are committed to listening to the views of every child in the school in order to help our school continue to grow. It was wonderful to see the level of enthusiasm during these conversations and to hear so many great ideas. I'm not sure we can quite stretch to a waterpark this year but we'll definitely keep it in mind!

Last year, we were joined in assemblies by Penpol parent Ben Pochee who runs an incredible sporting event known as the **Night of the 100 PBs**. Athletes at the top of their game will be competing once again this Saturday, hoping to beat their personal bests and, for some, secure a place at this summer's Olympics. You can find out more about the event and watch it live at the links below. Best of luck, Ben!

Very well done to Ivor and Harrison who ran the **Pretty Muddy Race for Life** last Saturday, placing 2<sup>nd</sup> and 5<sup>th</sup> in their age group respectively. A fantastic achievement. ☺

	We are delighted to share with you the details of our first Collaborative Careers Fair to be held on Wednesday 22nd May at Penpol Primary School.
This is a joint venture between Penpol Primary School, Bodriggy Academy, Hayle Academy and over 25 different employers and organisations joining us for the afternoon.	
	This is a fabulous opportunity to look at the range of careers, job sectors and roles available in the area.  Some pupils from the 3 schools will be attending the fair as part of the school day.  <i>Pupils, parents and carers from all 3 schools are invited for a special evening session from 3.15 - 5.00.</i>

Finally, don't forget: **Our Careers Fair is next Wednesday after school. All are welcome!**

Wishing you a wonderful weekend.

Chris Chislett (he/him)
